(+63) 9 207217090 • jonnamlargo@gmail.com • Manila, Philippines • jonnalargo.github.io

PROFESSIONAL SUMMARY

Multi-skilled and AI-powered Virtual Assistant with 3+ years of combined experience in digital marketing, auditing, bookkeeping, and business operations. Specialized in GoHighLevel (GHL) systems management, funnel and website creation, social media management, and lead generation. I leverage the latest AI tools to automate workflows, accelerate delivery, and produce results that help growing businesses scale with confidence.

CORE SERVICES

01 GoHighLevel (GHL) Management End-to-end GHL setup, funnels, automations, CRM, email/SMS campaigns	02 Digital Marketing Data-driven strategies that grow online presence and convert leads
03 Website & Funnel Creation High-converting landing pages, sales funnels, and website builds	04 Social Media Management Content planning, scheduling, engagement, and analytics across platforms
05 Lead Generation Targeted research and outreach to keep pipelines full and businesses growing	06 Graphic Design Social media graphics, brand materials, and marketing assets via Canva
07 Bookkeeping Accurate financial records using QuickBooks and Google Sheets	08 Auditing & Quality Control Operations review, KPI reporting, risk assessment, and process improvement

WORK EXPERIENCE

Digital Marketing VA / Marketing & Acquisition Assistant | Part-time Clients

- Builds and manages end-to-end GoHighLevel (GHL) systems: funnels, automations, CRM pipelines, and email/SMS campaigns
- Designs and optimizes high-converting landing pages, sales funnels, and websites using Kajabi, ClickFunnels, and Systeme.io
- Manages social media accounts across platforms — content planning, scheduling, engagement, and analytics via Metricool
- Creates graphic assets, reels, and video content for social media and marketing campaigns using Canva
- Plans and executes email marketing campaigns including list segmentation, A/B testing, and automation sequences
- Manages CRM systems and implements lead-nurturing strategies to move prospects through the pipeline
- Monitors and optimizes Facebook Ad Campaigns to improve reach, engagement, and conversion rates
- Handles external communications via email, social media, and Intercom on behalf of clients
- Provides calendar management, appointment setting, and general administrative support

Quality Control Agent | Performance Home Buyers | Freelance

- Audited outbound dialing campaigns for accuracy, completeness, and compliance
- Verified and validated leads submitted by Cold Callers to ensure data integrity
- Prepared and maintained KPI reports to track individual and team performance metrics
- Reviewed daily time sheets and End-of-Day (EOD) submissions to confirm accurate reporting
- Identified and documented discrepancies, communicating findings clearly to team leads and managers

Sales / Lead Generation VA | Sovereign | Freelance, Remote

- Generated and qualified leads through targeted social media outreach and digital prospecting
- Promoted company products globally, consistently achieving sales quota targets
- Handled initial customer inquiries and submitted structured end-of-day performance reports
